

Dear Seaforth Elementary School Parents and Guardians,

PAC hot lunch team is thrilled to announce a fantastic fundraising opportunity that not only benefits our beloved Seaforth Elementary School but also puts fresh, high-quality, award-winning apples on your family's table at unbeatable prices!

Partnering with Sun-Oka Fruit Farms <https://www.sunokafruit.com/> :

Sun-Oka Fruit Farms, a name synonymous with excellence, is our proud partner for this fundraiser. They have consistently been awarded 1st Prize in the National Apple Competition at the Royal Winter Agricultural Fair in Toronto every single year they've entered. In 2019, they were presented with the prestigious Golden Apple Award as the top apple grower in British Columbia. And they grow only the best of the best apple varieties: the exquisite **Ambrosia** and the incomparable **Honeycrisp**. These are the most

delicious, most beautiful, and most sought-after apple varieties in Canada. They each deliver a superb eating experience.

How Can You Get Involved? 🍏

Participating in our apple fundraiser is easy! Order apples via Sun-Oka Fruit Farms campaign link, then our PAC will fundraise \$8-10 from each 10lb box of apples sold. After the order deadline, the Sun-Oka farm will deliver the apples to school and the hot lunch team will help to distribute them to each parent.

Order Your Apples at

<https://fundraising.sunokafruit.com/s/seaforthelementarypac>

Order Deadline: Nov 11st 2023

We genuinely appreciate your support, and together, we can make this fundraiser a huge success. If you have any questions, feel free to reach

seaforthhotlunchpac2@gmail.com

Sincerely,

PAC hot lunch team
