

# GRADE 7 YEARBOOK

Attention Grade 7 Parents and Staff:

Welcome to our 2023/2024 Grad Yearbook site. This year, we are really hoping that you can help make our grade 7 yearbook an amazing one!

How can we achieve this? Please do take the time to upload your photos regularly by clicking the link below or scanning the QR code on your mobile device. Your photos are secure and will only be accessible to the yearbook committee:

<https://www.smugmug.com/upload/MTZFND/seaforth>

We do have some small reminders:

1. Please refrain from sending single photos of your child, as group photos are much more likely to be chosen.
2. Please include mainly grade seven children in the photos, as this yearbook is specifically for the graduating class.
3. Please avoid sending multiple photos of the same event; just pick the best ones of the highest quality.
4. If you don't usually take photos, please try your best to do so. It is the only way to ensure your children are represented in the yearbook.
5. Lastly, we will do our best to create a great yearbook, but not all photos can be used.

Looking forward to creating a beautiful keepsake for our kids!

Sincerely,

Yearbook Committee  
Sharan Biling  
Anita Love  
Dennis Yip
