Immunizations for Grade 6 students are coming

When students are in Grade 6, we review their immunization records and offer all routine vaccines they need for their age. We will send home a consent package.

When I receive the consent package for my child or the child in my care, what do I do?

- ✓ Review the consent package, which includes past immunizations, with the child.
- ✓ Check that the child’s immunization record is complete. If it is not complete, you can submit the missing record one of these ways:
 - Include it with the signed consent form, *or*
 - Submit it online to us at FraserHealth.ca/immunizationform.
- ✓ Talk with the child about why vaccines are important.
- ✓ Complete and sign the consent form.

Note: The consent is valid for 2 years from the date it is given unless you cancel it. It can be used for any vaccines the student missed.
- ✓ Return the signed consent form, and the missing immunization record if needed, to the school sealed in the envelope provided.

All routine vaccines are free in British Columbia.
