

Dear Seaforth Elementary Parents,

With the approval of the school principal and PAC, we will be providing hot lunch service on Thursdays for the 25-26 school year.

We strive to offer your children a variety of meals with generous portions (an average of 300g), served warm and delicious (all hot lunches are professionally insulated). For ordering lunch on Thursdays, you will use the new Fantuan ordering system. At this time, we are inviting parents to participate in a system test to help you quickly learn how to use it. After each parent completes the test order, Fantuan will give cute pen as a gift for the children to enjoy, and we believe they will love it. **Deadline to place the test order is November 9, before midnight.**

Below is the process for your reference:

Fantuan Hot Lunch Guide

1: School test Link

Each school has a unique link. Here is our school's link, accessible via phone or computer.

(If you are unable to open it directly, please copy and paste the link into your browser to access it.)

<https://order.fantuan.ca/en-US/group-delivery-new?wechatId=1&country=CA&sn=NGC202997>

You can also scan the QR code for quick access.

2: Login and Registration

Every time you log into the Fantuan system (whether you're a new or returning user), you'll be prompted to log in with your phone number,

Welcome to Fantuan

+1 Enter phone number

I've read and agree to the [Users Agreement](#), [Privacy Policy](#) and receive SMS.

Get a new code after **25 seconds**

3: Language Selection

Click the avatar in the top right corner of the screen. Next to it, you'll find the option to switch between languages.

Fantuan offers three language options: English, Chinese, and French. The system interface can be displayed in any of these three languages. However, all hot lunch menu items will be listed in English to avoid confusion

7: Multiple Children

You can only order lunch for one child at a time. If you have multiple children, you'll need to repeat the order process for each one.

8: Fees and donation

Fantuan hot lunch has no tax, stripe fee, delivery fee, or tip, saving parents more. There is an optional donation feature where you can choose to donate 0%-15% to the school, and Fantuan will pass 100% of the donations to the PAC.

9: Payment Methods

We support online payments like credit card, Apple Pay, and WeChat Pay. We do not accept checks or cash.

Since the test orders are \$0, you do not need to make any payment.

The screenshot shows a mobile application interface for a payment screen. At the top left is a back arrow icon. The title 'Payment' is centered at the top. Below the title is a grey bar containing the time '15:19' in orange and the text 'Total \$32.54' in grey. Underneath is the section 'Payment Method'. It lists two options: 'Wechat Pay' with a green checkmark icon and a blue checkmark in a circle to its right, and 'Applepay' with an orange dollar sign icon and an empty circle to its right. Below this is the section 'Add Payment Method' with a 'Credit/Debit Card' option, represented by a blue card icon and a right-pointing chevron. Horizontal lines separate the sections.

This is the complete process for our test order. We hope you can assist us in testing and becoming familiar with our procedure before we start hot lunch orders.
