Discount Opportunity

Sun-Oka Fruit Farms is offering a discount opportunity that could save you up to \$6 per box on your apple purchases. Here is how:

1. Share your personal sales link with friends and family. The more people who order through your link, the more you save on your own apples!

2. Savings chart:

Get 2 buyers → Save \$2 off each box you purchase

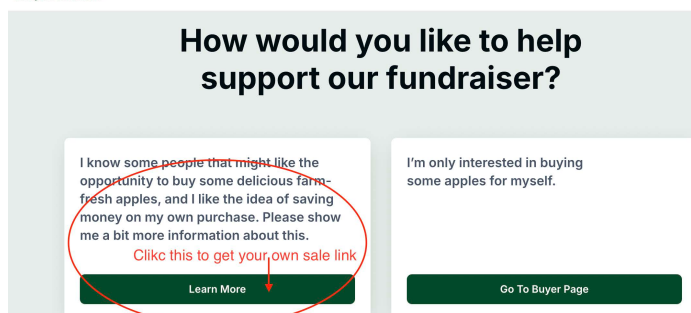

Get 5 buyers → Save \$4 off each box you purchase

Get 10+ buyers → Save \$6 off each box you purchase

3. Important reminders:

Apples cannot be shipped directly to buyers—only share your link with people who live nearby.

Wait until your buyers have ordered before you place your own order. If you buy first, their credit won't apply to your purchase.
